## ACKNOWLEDGEMENTS

Tonfanau Racing Association Club would like to thank everyone who has helped in any way to promote or organise today's meeting, including the landowners, Medical and First Aid Staff, Marshals & Officials, Programme Advertisers, Race and Trophy Sponsors and the many people from all over the country who have attended the many working parties to get the track ready. Without the help from these people the circuit would never be race ready.

# TRAC NEWS

It's been a shorter season than usual for us at Tonfanau, but it feels like only yesterday that we started 2024. The team have been hard at work with tarmacking, painting and general track maintenance ready for our riders to give it their all this meeting.

Some of you may have heard that we had a track inspection at our June meeting. This is a normal procedure for any track licences under the ACU and it was our turn. We're very pleased to say that we have been given a track licence for another two years, so as long as we still have support from our riders to fill the grids, and volunteers to help us keep the track in good shape, we will continue racing here for a while longer!

Moving on to today's track action; championships are still all to race for with only a few points in it for some. The CB500s have four points between Richard Hughes and Ryan Cox, and it's even closer to call in the 400cc Supersport between Mike Carter and Tony Griffiths, with only one point separating the two. Both battles will take place on the track in Race one.

We're now looking forward to our awards evening in November, details are below and tickets are selling fast. Give Jean a call to book yours.

Our 2024 dates are now confirmed too and you can find these in the programme.

Thank you for supporting us and we look forward to seeing you again in 2025.
