ACKNOWLEDGEMENTS

Tonfanau Racing Association Club would like to thank everyone who has helped in any way to promote or organise today's meeting, including the landowners, Medical and First Aid Staff, Marshals & Officials, Programme Advertisers, Race and Trophy Sponsors and the many people from all over the country who have attended the many working parties to get the track ready. Without the help from these people the circuit would never be race ready.

TRAC NEWS

The season is really hotting up and its close at the top of some of our championships!

David Brasier is leading Graham Dickinson in the Single Cylinder class by only 4 points heading in to round three, and only two points separate Darren Raybould and Robert Williams in the 700cc Twins.

After missing out on points in the final race of round two, Adam Illman has dropped to second place in the Sidecar Championship, allowing Richard Butler to edge to the top with a seven point lead.

It's still all open this season so far, with another ten championship points available in each race today.

Away from the track, we'd like to let you know about our presentation of awards evening being held on **Saturday 25th November 2023** at the Park House Hotel, Shifnal. Tickets are on sale now and cost **£35** per person for a three course meal, disco and presentation. It's a lovely evening to celebrate the achievements of our championship winners and catch up with friends before the winter break.

Tickets can be purchased through Jean Price on 07980302496 or secretary@tonfanauroadracing.co.uk, spaces are limited so book early.

We've also got some new stock in our club shop. Head over to see Tracy and Debbie today near to the commentators box to see the new lines we have available.

As always, thank you for supporting Tonfanau and TRAC. Please take care driving through the village on your way home as there are children and livestock around, and we look forward to welcoming you back for our final round on **27th August 2023**.

Whether you are just starting your own Glamping business, require an office, granny flat, therapy room, children's playroom, studio or a beautiful garden room, we can provide you with additional living space that is easily affordable.

Our shepherds huts offer a romantic alternative to conventional bricks and mortar buildings at a fraction of the price.

SHROPSHIRE

SHEPHERDS
HUTS & PODS

Here at Shropshire shepherds huts and pods we can help turn your dream of owning your very own shepherds hut into reality. Our huts use a solid wooden frame and have the traditional cast iron wheels of old.

The corrugated roofs are also true to the original design.

We can also use galvanised cladding in a range of colours or various types of different style cladding for example Shingles..

We can help by working with you on the planning and design of your hut. We can also help with the complete layout of your hut.

Our traditional Shepherd's huts are hand built in Church Stretton, Shropshire by craftsman Tony. With over 30 years in the building trade Tony has always had a passion for working with wood and timber and loves the challenge of bespoke designs.
