ACKNOWLEDGEMENTS

Tonfanau Racing Association Club would like to thank everyone who has helped in any way to promote or organise today's meeting, including the landowners, Medical and First Aid Staff, Marshals & Officials, Programme Advertisers, Race and Trophy Sponsors and the many people from all over the country who have attended the many working parties to get the track ready.

Without the help from these people the circuit would never be race ready.

All riders with (N/E) in their details are not eligible for an award in that class.

TRAC NEWS

We would like to say a huge thank you for the positive feedback we have received on the maintenance of the track and the surrounding areas.

As a club we've been working extremely hard maintaining the circuit, from cutting the grass around the paddock and spectators' area improving these areas for the riders and campers alike. Fencing and tree work has been completed as required and the new area on paddock bend has been a vast improvement for officials to observe from at a safe distance.

The vehicles have been maintained to a good working order and the investment on a design for the rope puller has been a success. It has saved us time and made it easier on putting out the safety ropes at each meeting.

The support given with putting the recticel bales out and getting them in at the last meeting was gratefully received. Especially after the racing has finished, more hands make light work! We are running on a smaller scale team and any support given is gratefully received.

We are also so grateful to the service providers who are needed to run a meeting for their continued support to Tonfanau, and the new ice cream van, Fairbourne ices, ran by Sean seems to be a big hit. A great, tasty selection to choose from.

A shout out to M&M Truck Diagnostics too who have kindly given a donation to support the club in running this meeting. Also, to Steve Porter who has purchased a portable PA system for the club to ensure the riders can all hear the announcements at riders briefing. Thank you to you both for the kindness.

Finally, to Jane Johnson who has managed to collect a total of £351 for the Air Ambulance charity during the last two meetings.

Thank you to all for your support and we'll see you back here in August.

Caravan & Camping Park

FACILITIES ON SITE:

★ Beautiful woodland walks on site.

★ Adventure playground for children.

★ Excellent salmon and trout fishing in the River Dysynni which runs past the bottom of the site and then flows into the more sluggish Broadwater, where many more species of fish offer marvellous sport.

★ It is an ideal base for hikers, motorists, climbers and of course birdwatchers.

★ The site is well situated, the town centre and promenade is only 1.5 miles away and going in land there are of course the beautiful countryside and mountains of Mid-Wales
