## ACKNOWLEDGEMENTS

Tonfanau Racing Association Club would like to thank everyone who has helped in any way to promote or organise today's meeting, including the landowners, Medical and First Aid Staff, Marshals & Officials, Programme Advertisers, Race and Trophy Sponsors and the many people from all over the country who have attended the many working parties to get the track ready. Without the help from these people the circuit would never be race ready.

# TRAC NEWS

Just like that, it's the end of the season and our final round at Tonfanau for 2023. What a season it's been! We've had some fantastic racing on the track with all of our championships coming down to the final round.

As a club, we've had overwhelming support throughout the season which has enabled us to make much needed improvements and repairs to the circuit along with behind the scenes process changes with entries and race timings. Without your support, our first season at Tonfanau wouldn't have been possible, so thank you.

Ones to watch on the track today are David Brasier and Colin Purslow who only have four points between them in the Classic Single Cylinder race. Robert Williams and Darren Raybould in the 700cc Twins class, who are fighting for the championship with only one point in it, and it's the same in the Forgotten Era up to 250cc with our May programme cover star Dave "Juras" Edwards leading Huw Edwards by only one point. We should see some really close racing in these classes as they battle it out for top spot.

Today we also have the Sue Gardiner memorial trophy presented by FLORacing. This will go to the rider of the day as chosen by the Clerk of the Course and his team in memory of Sue, the late wife of our commentator Garry. The presentation will take place on Paddock corner after today's racing.

This season, unfortunately we won't be having a presentation of our championship trophies after the racing. With Kathryn away having her little boy and some of our other office ladies away on the Isle of Man, we just don't have the man (or woman) power to be able to organise the winners in time to run the presentation. We're hopeful that this will be back for next season, but the championship trophies will be presented at our Awards evening in November.

As always, thank you for your support and we look forward to seeing you back with us next season.

*The TRAC Team*

Whether you are just starting your own Glamping business, require an office, granny flat, therapy room, children's playroom, studio, or a beautiful garden room, we can provide you with additional living space that is easily affordable.

Our shepherds' huts offer a romantic alternative to conventional bricks and mortar buildings at a fraction of the price.

**SHEPHERDS  
HUTS & PODS**

Here at Shropshire shepherds huts and pods we can help turn your dream of owning your very own shepherds hut into reality. Our huts use a solid wooden frame and have the traditional cast iron wheels of old.

The corrugated roofs are also true to the original design.

We can also use galvanised cladding in a range of colours or various types of different style cladding for example Shingles.

We can help by working with you on the planning and design of your hut. We can also help with the complete layout of your hut.

Our traditional Shepherd's huts are hand built in Church Stretton, Shropshire by craftsman Tony. With over 30 years in the building trade Tony has always had a passion for working with wood and timber and loves the challenge of bespoke designs.
