Without the help from these people the circuit would never be race ready.

# TRAC NEWS

Welcome to the first round of racing here at Tonfanau, and also the very first meeting of Tonfanau Racing Association Club Ltd (TRAC). We're really excited for what the rest of the season brings and we hope today is filled with fun and action packed racing.

Crewe & South Cheshire Motor Club successfully ran Tonfanau for the last thirty years and our club have a huge legacy to maintain and shoes to fill.

Over the winter, lots of work has gone into the track maintenance and upkeep. We have laid over 100 bags of tarmac and quite a few bags of cement, we have rounded off curb stones and cleared gutters as well as worked on the run off areas around Heesons; for those that like to do a bit of grass tracking!

None of these repairs would be possible however, without the help and support of our fantastic team who have given up their weekends to spend it outside, in the Welsh elements completing track repairs, bridge repairs or general maintenance on the circuit.

We'd also like to thank all of our championship sponsors, programme advertisers and anyone who has donated materials or money to the club to be able to put on this fantastic day.

We'd like to take the opportunity to give a special mention to Richard Butler and Jane, who's donation this year has enabled us to put some merchandise into our club shop. You can find this in the paddock near to the assembly area if you'd like to buy some of our club merchandise. Also Tom Flashman from BFG, who has donated a pallet of tarmac bags to the track repairs along with a financial donation towards other essential maintenance from Lee Davies.

Di Davies has been a huge support of the club and helped with the installation of our new fencing and Darren from W. Hestleton who has helped us with various repair works, continuing a long standing connection with the circuit, as our Hairpin is named after his Dad, Bill. Finally, we'd like to thank Crewe & South Cheshire Motor Club for their donation to TRAC which has helped us to be here today, running this great circuit.

During the off season, we have also been successful in our application for a grant from Tywyn Council which has funded the new fence posts you can see around the circuit., holding the ropes around the spectator areas. Big thank you to Chris Wood, the Clerk from Tywyn Council for helping us to secure this grant. He's also on the spectator gate today, give him a wave on your way out!

We hope you enjoy todays racing and TRAC look forward to welcoming you back to our next meeting on Sunday 28th May.

Whether you are just starting your own Glamping business, require an office, granny flat, therapy room, children's playroom, studio or a beautiful garden room, we can provide you with additional living space that is easily affordable.

Our shepherds huts offer a romantic alternative to conventional bricks and mortar buildings at a fraction of the price.

SHROPSHIRE

SHEPHERDS  
HUTS & PODS

Here at Shropshire shepherds huts and pods we can help turn your dream of owning your very own shepherds hut into reality. Our huts use a solid wooden frame and have the traditional cast iron wheels of old.

The corrugated roofs are also true to the original design.

We can also use galvanised cladding in a range of colours or various types of different style cladding for example Shingles..

We can help by working with you on the planning and design of your hut. We can also help with the complete layout of your hut.

Our traditional Shepherd's huts are hand built in Church Stretton, Shropshire by craftsman Tony. With over 30 years in the building trade Tony has always had a passion for working with wood and timber and loves the challenge of bespoke designs.
