Without the help from these people the circuit would never be race ready.

# TRAC NEWS

Like a flash, we're back with our second round of the 2023 season at Tonfanau.

Our Easter meeting saw a fantastic crowd, thrilling racing and great weather; even if the paddock was a bit soggy! This meeting we're hoping the weather holds for another successful days racing.

It's all to play for in our championships so far, with Tony Griffiths leading both the 400cc Supersport and the Forgotten Era 251-500cc classes after three clear wins in both.

Steve Birtles , Huw Edwards, Colin Purslow, Chris Mort, Steven Bedford, Adrian Day, Paul Johnson and Martin Claire all took home the maximum thirty points in their respective classes and head out on the track today looking to keep their early leads.

The sidecar class saw the closest of our racing with Adam Illman and Jack Sumner battling it out against Richard Butler and Joanne Thomas. We are looking forward to seeing these two outfits on the circuit today with only one point separating them in the championship standings.

Sadly, over recent years we have seen a decline in sidecar entries and whilst we all love watching them race at Tonfanau, we need more entries. If you know anyone interested in sidecar racing, please let them know about us so we can keep this class going.

Thank you to everyone that has continued to support us as the season progresses, from marshals, medics, officials, sponsors or friends of the club, the help and support you bring means we can keep racing at Tonfanau and we're all very grateful.

So, lets have another great days racing and we will see you back here on **Sunday 2nd July.**

A close-up photograph of a motorcycle helmet bag. The bag is made of a dark, textured material, likely vinyl or leather, and features a custom embroidered logo in white thread. The logo consists of a rectangular border with a stylized 'R' shape on the right side. Inside the border, the text 'TONEBAU RACING' is at the top, 'TRAC' is in the center in large, bold, stylized letters, and 'ASSOCIATION CLUB' is at the bottom. The background shows the top of a motorcycle helmet with a white 'R' logo on its side.

Whether you are just starting your own Glamping business, require an office, granny flat, therapy room, children's playroom, studio or a beautiful garden room, we can provide you with additional living space that is easily affordable.

Our shepherds huts offer a romantic alternative to conventional bricks and mortar buildings at a fraction of the price.

**SHROPSHIRE**

**SHEPHERDS  
HUTS & PODS**

Here at Shropshire shepherds huts and pods we can help turn your dream of owning your very own shepherds hut into reality. Our huts use a solid wooden frame and have the traditional cast iron wheels of old.

The corrugated roofs are also true to the original design.

We can also use galvanised cladding in a range of colours or various types of different style cladding for example Shingles..

We can help by working with you on the planning and design of your hut. We can also help with the complete layout of your hut.

Our traditional Shepherd's huts are hand built in Church Stretton, Shropshire by craftsman Tony. With over 30 years in the building trade Tony has always had a passion for working with wood and timber and loves the challenge of bespoke designs.
