Without the help from these people the circuit would never be race ready.

TRAC NEWS

We're half way through the season already and it's shaping up to be a great days racing.

Today we host our very first parade of classic machines. You will see these out on track three times during the day with lots of exciting machines taking part.

Some of the machines will be on display in the scrutineering bay, near to the assembly area.

It's only seems like five minutes since we were here for our May meeting. And with this season down to only three rounds the championships are wide open with plenty of room to fight for those points.

We're also pleased to announce details of our second Annual Awards evening, to book give Jean a call.

We look forward to seeing you at our final round of the season on Sunday 25th August 2024.
